

Astrologic and the Archetypes

Your Contract with the Universe

“You have a sacred contract with the Universe,
and no one can fulfill it except you.”

— Gary Zukav

Planets, Signs and Houses

Planets, Signs and Houses

Planets

*Planets represent functions of the Psyche.
That which is evolving*

*We need each one of them to be functioning if we are to
be fully functioning. (I did not say perfected)*

Planets

- ✦ **Sun**- *Self. The core around which everything else revolves, and receives sustenance. What values must I remain true to if I am to be myself?*
- ✦ **Moon**- *Heart. Our ability to open and responsive to Soul, to what moves you.*
- ✦ **Mercury**- *Perception. Our ability to accurately take in and effectively utilize sensory input. (Information Gathering and Processing)*
- ✦ **Venus**- *Relaxation. Our ability to be calm down. Our ability to create and maintain bridges of rapport.*
- ✦ **Mars**- *Assertion. Our ability to get and protect what we need (vital resources).*

Planets

- ✦ **Jupiter**- *Faith. Our ability to Believe and to Explore.*
- ✦ **Saturn**- *Will. Our ability to impose our will. What can you actually control?*
- ✦ **Uranus**- *Individuality. Our ability to trust our intuition.*
- ✦ **Neptune**- *Spirituality. Our ability to receive inspiration. Our ability to connect to something beyond ego and its concerns*
- ✦ **Pluto**- *Soul. Our ability to live as if we were Eternal*
